Additional Activities
While researching the Northwest Rebellion, draw a map, or overlay on a map, the locations of skirmishes. Learn more about those locations and visualize what the conditions were like before and after the Rebellion.

Special Notes:

Canadiansatarms.ca has a number of pages which can help you research and document your story.

When you begin to document your findings, seek out our *Researchers* page under *About Us*. This page is used by our Researchers when they submit material to the site.

When documenting your story, make sure to acknowledge any material which you use, including, but not limited to: books, magazine articles, archival records, videos, movies, etc.
